Boyle, U.S. District Judge, on October 23, 2015, to the custody of the Bureau of Prisons for a term of 37 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for a period of 36 months.

On November 4, 2015, the conditions of the original judgment were modified granting a 13 month departure and the defendant was sentenced to a term of 24 months incarceration. Additionally, the court gave the defendant credit for 110 days spent in pretrial detention.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS: The defendant has an extensive drug history and it's requested that a drug aftercare condition be added in an effort to monitor for any potential drug use.

The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

PRAYING THAT THE COURT WILL ORDER that supervised release be modified as follows:

1. The defendant shall participate as directed in a program approved by the probation office for the treatment of narcotic addiction, drug dependency, or alcohol dependency which will include urinalysis testing or other drug detection measures and may require residence or participation in a residential treatment facility.

Except as herein modified, the judgment shall remain in full force and effect.

Reviewed and approved,

I declare under penalty of perjury that the foregoing
is true and correct.
